Bluetooth Headset

## Safety Precautions

Read these safety instructions before using your device and store them for possible future reference.

- The device is not intended for use by persons (including children) with reduced physical, sensory or mental capacity. Persons who have not read the manual, unless they have received explanations by a person responsible for their safety and supervision should not use this unit.
- Children should be monitored to ensure that they do not play with the device.
- The device should always be readily accessible.
- The device should not be exposed to dripping or splashing water.
- No objects filled with liquids such as vases shall be placed on the device.
- Always leave a minimum distance of 10 cm around the unit to ensure sufficient ventilation.
- Open flame sources, such as candles, should not be placed on top of the device.
- The device is intended for use only in a temperate climate.
- At full volume, prolonged listening to the portable audio device may damage the user's hearing and cause hearing troubles (temporary or permanent deafness, hearing drone, tinnitus, hyperacusis).
- So we recommend not to listen to the portable audio device at high audio volume and no more than one hour per day at medium audio volume.
- CAUTION: Danger of explosion if battery is incorrectly replaced or not replaced by the same type or equivalent.
- The battery should not be exposed to excessive heat such as sunshine, fire or similar.
- Different types of batteries, new and used batteries should not be mixed.
- The battery must be installed according to the polarity.
- If the battery is worn, it must be removed from the product.
- The battery must be disposed of safely. Always use the collection bins provided (check with your dealer) to protect the environment.
- The battery can't be replaced by the user, but only by the maker of this product, the after sales department or a qualified person.

### SWITCH OFF IN RESTRICTED AREAS

Switch the device off where the use of the device is not allowed or where there is a risk of causing interference or danger, for example on board an aircraft, near medical equipment, fuel, chemicals or blasting sites.

### ROAD SAFETY COMES FIRST

Check the current laws and regulations regarding the use of this device in the areas where you drive.

- Do not handle the device when driving.
- Concentrate fully on the driving
- Radio signals could affect some of the car's electronic systems such as the audio stereo and alarm systems.

## **INTERFERENCE**

All wireless devices are susceptible to interference which may affect their performance. All our device conform to international standards and regulations, and if need be national ones, with a view to limiting user exposure to electromagnetic fields. These standards and regulations were adopted after the completion of extensive scientific research. This research established no link between the use of the mobile headset and any adverse effects on health if the device is used in accordance with standard practices.

## **AUTHORISED PERSONNEL**

Only qualified people are authorized to install or repair this product.

## **ACCESSORIES**

Only use batteries, chargers and other accessories which are compatible with this equipment. Do not connect incompatible products.

## **KEEP THE EQUIPMENT DRY**

This equipment is not water proof. Keep it dry.

## **CHILDREN**

Keep your device in a safe place, out of the reach of young children. The device contains small parts that may present a choking hazard.

## Specifications

Rated voltage: DC 5V  $\equiv$  0.5A

Max consumption: 35mW

Radio frequency: 2.402-2.480GHz

Frequency range: 20Hz-20KHz

Sound power: 15mW

Po Li-ion battery 400mAh

Max RF power : 0.97mW

Bluetooth compatible version: 5.0

Distance Bluetooth stays connected: 10m

Charging time: 2 hours

Music playing time: about 10-11hours (only Bluetooth)/about 9-10hours (BT off + ANC on) about 7hours (ANC & Bluetooth mode)

Dimensions: 180 x 170 x 75 mm

Weight: 232g

## Declaration of conformity UE

Dag Technologie®, hereby declares that this equipment conforms to the essential requirements and other relevant provisions of Directive 2014/53/UE. The declaration of Conformity can be viewed at the following address:

[http://www.mms-support.net/OTA/ECD\\_DAG\\_BLP4220-002.pdf](http://www.mms-support.net/OTA/ECD_DAG_BLP4220-002.pdf)

The European directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE), requires that old household electrical appliances must not be disposed of in the normal unsorted municipal waste stream. Old appliances must be collected separately in order to optimize the recovery and recycling of the materials they contain, and reduce the impact on human health and the environment. The crossed out "wheeled bin" symbol on the product reminds you of your obligation, that when you dispose of the appliance, it must be separately collected.

To avoid possible hearing damage, do not listen at high audio volume for long periods of time.
