Bamboo Wireless Charger

Safety Precautions

Read these safety instructions before using your device and store them for possible future reference.

- The device is not intended for use by persons (including children) with reduced physical, sensory or mental capacity. Persons who have not read the manual, unless they have received explanations by a person responsible for their safety and supervision should not use this unit.
- Children should be monitored to ensure that they do not play with the device.
- The device should always be readily accessible.
- The device should not be exposed to dripping or splashing water.
- No objects filled with liquids such as vases shall be placed on the device.
- Always leave a minimum distance of 10 cm around the unit to ensure sufficient ventilation.
- Open flame sources, such as candles, should not be placed on top of the device.
- The device is intended for use only in a temperate climate.

Specifications

Rated voltage: DC 5V $\overline{=}$ 2A / 9V $\overline{=}$ 2A

Wireless Output: DC 5V $\overline{=}$ 1A / 9V $\overline{=}$ 1.1A

USB output voltage: 5V $\overline{=}$ 1A

Maximum consumption: 5W

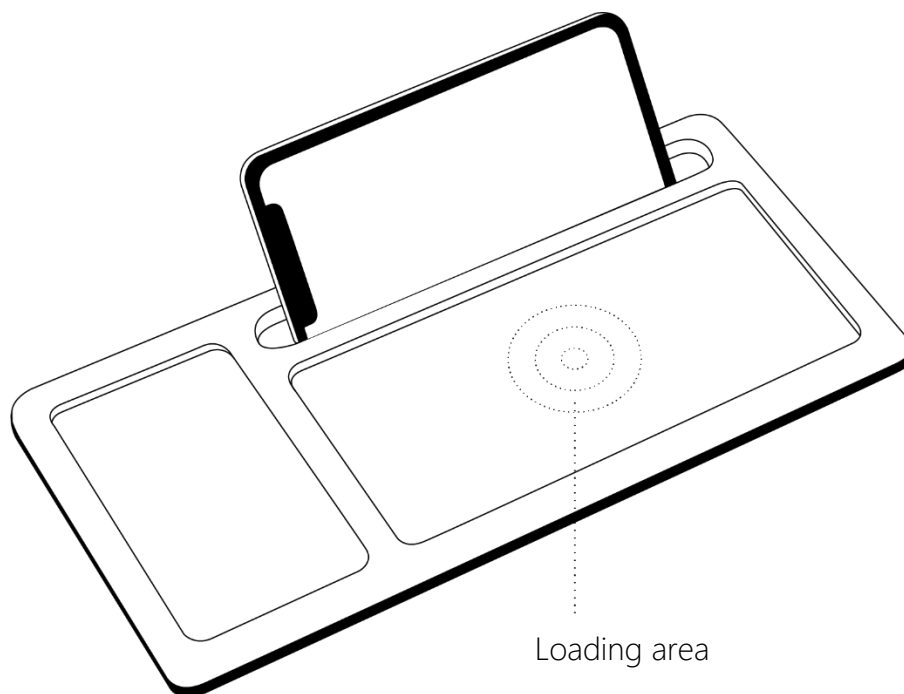

Loading efficiency : $\geq 70\%$

Size: 256 x 136 x 16mm

Weight: 380g

Use

1. Insert the end of the USB charging cable into the power adapter or computer.
2. The C-type interface of the USB cable is connected to the charging base, and the wireless charging base is ready after the power supply is turned on.
3. Place a device with a wireless charging receiver on the wireless charger

Attention

Please keep the charger away from water or other liquids.

If you need to clean the charger, please ensure that it is not connected to the mains.

Operating temperature approx. 0-45°.

Declaration of conformity UE

The European directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE), requires that old household electrical appliances must not be disposed of in the normal unsorted municipal waste stream. Old appliances must be collected separately in order to optimize the recovery and recycling of the materials they contain, and reduce the impact on human health and the environment. The crossed out "wheeled bin" symbol on the product reminds you of your obligation, that when you dispose of the appliance, it must be separately collected.
